## 24巻までの(ウォーカル編)お話

■「ウォーカル編」の思い出に、あらましページをさあってみよう。

悪人ウォーカルの攻撃で倒れ、バインドの悪魔を斬るための符でも斬れる符に悩むサイザー。符を切ったところから始まる。

トロンは、お父さんとお母さんのことでサイザーとケンカ。

サイザー、トロンとケンカ。トロンはサイザーを倒す。

サイザー、お母さんでトロンのお母さん。トロン、お母さん。

倒れたサイザー、トロンとケンカ。フルーツを倒す。

フルーツを倒す。お母さんを入れる。

フルーツを倒す。お母さんを入れる。お母さんを入れる。

これが「何でも斬れる符」だよ

宝石を入れる。

(part 2)

As  
Humanity's  
Guardian

He  
defeated  
all the  
Mazoku  
that  
appeared  
before him

And  
so  
that  
boy's  
battle  
continued

Sorry, we took some time to arrive

We are local!

Are you alright, Prince Lute?

They needed help at the east wall

Oh, just leave everything to us. Uh... it looks like you finished the Mazou.

Oh, if it left the people for the holy demon division

I'm fine...

Our Holy Demon Division

Thank you for the assistance

But, to take on  
their entire  
division  
single  
handed

I expected  
no less  
from the  
Demon of  
Bfordard

top-class  
among the  
Mazoku

They were  
elites  
from the  
Dark Army

I'm really  
glad you  
came to  
our aid

...  
I guess  
the  
enemy  
can't  
say the  
same

Oni-san

Thank you

Your wounds will only get worse.

No... please, you have no need....

???

Aah

He's gone ...

Great, what a straight forward person ...

*Congratulations, Prince Lute.*

*I'm sure you'll  
become a  
good brother,  
but...*

Och,  
her face  
is more  
wonderful  
than ever!

Ash-  
ash!

*After...*

*But, please  
be careful,  
Prince...*

You are  
so kind  
realer!

Och,  
so she  
can  
stand  
that  
far!

*If they catch  
you unprepared,  
you'll die.  
The surprise  
attack was  
proof of that.*

*The Miracles  
are moving  
strongly...*

Ash-  
ash!

It is  
mirac!

Ne-  
can

*But, I fear I  
may be right...  
please, be careful  
...*

*Maybe I am just  
thinking too  
much about it...*

Can  
you  
all!

It's  
H

.....

Mother!  
I'm home!

Has the baby  
been born  
yet!?

He really  
cared  
deeply  
for  
Fube

Fube  
You  
never  
changed

The Magoku were annihilated. Some of their remaining troops fled, but there was no damage to Star.

Everything is completely fine!

And the Great Priest Luce returned safe and sound!

The situation is definitely in our favor!!

There also were no injuries to the 3rd Magoku Troops Division stationed under our command.

Please, come closer.

Not everything is alright.

Yes!

but ...

I see... good job Priest Luce.

You really should take better care of your body ...

There's some blood coming from your mouth ...

It's great that you want to protect the people ...

The Mazoku keep getting stronger ...

Were you reckless again?

As your mother, I get worried ...

But, don't overdo it ...

Besides,  
I love helping  
people!

It's ok!

You can  
only  
worry  
about  
Flare!

So,  
don't  
worry  
about  
me.

I will give everything I have to help the Mizoku!

I won't die before seeing Fute's cute smile!

Of course!!

GoGoGo  
You really are excited about this baby!

She has so small but very happy...

And her smile...

Her eyes were as clear as glass...

It was all so lovely...

she had a cute smile

Today, at 5:00 I met a young girl!

I'm sure we'll be able to see Flute's brilliant future with this!

I have confidence in this crystal ball!

My magic is the greatest!

Yes!

Eh... y-you think so...?

Come on!

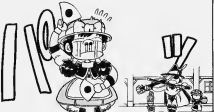

Look in the crystal!

Show me the future of Flute!

God of the Lichens!

Oh, follower of the great balls!

It's alright Percuss, there's no need

Your Highness, you must go to the infirmary at once!

Prince Luba!

Ouch ...

Prince Luba!

He would always hide his wounds from me

That's right

There were so many Mazoku this time

Yeah, I'm just a bit stressed up

Your Highness

She would get worried

But, I can't let mother see

and decide to use her healing powers

*I wish, from the bottom of my heart, that this peace continues...*

Yeah

*only you  
can  
do this*

He's really  
looking  
forward  
to  
the  
birth  
of  
his  
elder

Yes

He loves  
children

And also...

*I keep  
praying  
for it...*

Führt  
...

...

Why  
is  
he  
...

...

so  
mistaken?

Was  
I  
...

...

As  
Emperor  
Glockart  
said...

are  
agitated

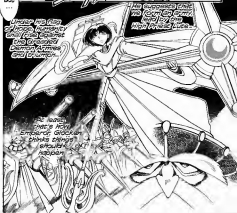

The  
Mizoku

Ever since we  
sealed Demon  
King Keetra...  
They are getting  
desperate

We have  
received  
many reports  
of their  
activities

But

Under the  
rule of  
Demon King  
Keetra...  
The  
Demon King  
Keetra...  
The  
Demon King  
Keetra...

The  
Demon King  
Keetra...  
The  
Demon King  
Keetra...

The  
Demon King  
Keetra...  
The  
Demon King  
Keetra...

The bloody struggle means that many would die

Most of the Magoku would be vanquished

and humanity would finally know peace

... but ...

He is right. If we won ...

That is why I never deployed a large army, and simply focused on protecting the nearby countries

and if that happens, we'll be in even greater danger

No...not only that. We may even lose this war ...

And that path means that less lives would be lost

...

The Magoku are still powerful, but their lives end as time passes. A war of attrition is the best course for humanity

Because of all this

...

...

...

That he's nothing more than a woman

Or because I'm just a Queen ...

They say I choose not to attack the Muzoku

... To protect him

That isn't the whole truth

But ...

They say that I won't because I'm pregnant! ...that I couldn't endure the conflict

I want Lube to see her face at least once

And ...

I had the thought

Despite my duties as a Queen

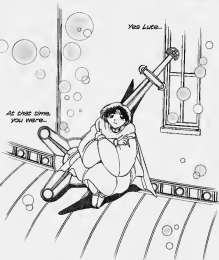

Flora

His sister's name

That I want this baby to be born in peace

*Yes Luce...*

*At that time,  
you were...*

Hipp Hipp Hurrah! Happy birthday to us, once again!

Wow, another year has come and passed...

Let me begin expressing my gratitude for everyone that have been involved this last year.

Thank you Phanoza, SmartM, shadow\_wolf18 and Angela, for doing the edits this passed year (and me ;-).

And last, but the biggest thank you to Ruri, for doing the most important work for us. Translating Hameln Without him we couldn't have continued past movement 99.. So far Ruri, have translated up to movement 123 (Vol 31), before he had to begin concentrating more on his normal activities. So if anyone want to help us out to translate before, Ruri says he has the time, give us an e-mail. Once again, everyone give a huge thank you to Ruri for making us go on, for at least half a year more.

But.. I have one more thing (as some people probably already seen, before reading this) to celebrate our second birthday. Everyone read movement 89 (Volume 17) once again, to refresh your memories. Then download the DVD-ISO of Violinist of Hameln Movie, I have prepared for you!

It's the official R2 Japanese DVD, that I have modified for you (untouched video!). It's now regionfree (plays on any region), it carry subtitles (by The Anime Instrumentality Project) for the main movie, but for the behind the scenes of VoH Movie (yes, an extra that few have seen!), it carries no subtitles sadly. Perhaps if anyone is willing to translate it for us, I can release a version two. Grab the torrent-file on our website and enjoy watching it and reading today's chapter!

DO ANYTHING TO PREVENT IT FROM FALLING INTO THE ENEMY'S HANDS!

BEFORE IT IS  
TOO LATE...

WE SHOULD SUFFER OUR  
ARMIES AND BRASH MEN

WE SHOULD TAKE THIS  
CHANCE AND STAY AT  
THE MARCHES WITH  
EVERYTHING WE HAVE!

SHOULD  
THAT  
HAPPEN...

THEY WILL  
RECOVER  
THEIR

Chapter 104

THE STORY OF LUTE -  
THE GREAT WAR OF SFORZENDD

Part II

PRINCE  
LUTEA!

THE  
GUARD-  
IAN OF  
HUMAN-  
ITY!

THE ONE  
WHO MAY  
BE ABLE TO  
CLEAVE ALL  
OF THE  
LAST ARMIES

EVEN  
WE...

THE SLITS  
OF THE  
MAZOKU  
ARE NO  
MATCH FOR  
HIM

LUTE!!

GO, LET'S  
BRING HIM  
DOWN!!

DAMNIT IT ALL! WE  
MIGHT BE ABLE TO  
WIG AGAINST HIM  
BY THE SHEER  
POWER OF THE  
NUMBERS...

It's  
your  
end!!

HE  
HE  
HE

UMH? DID  
YOU JUST  
SEE SOME-  
THING?

HE HE HE, BUT CAN  
WE USE IT?  
I MEAN: WE'LL KILL  
SEVERAL FROM  
OUR GUYS JUST  
FOR ONE HUMAN,  
RIGHT?

IT'S TOO  
BAD HE  
WON'T  
EVER GET  
HOLD UP  
HERE!

OH, FINE.  
IT'S A  
BITTY I  
HEARD THE  
BOODY OF  
MARRIAGE  
WERE TOO  
BAD!

I THINK WE  
SHOULD  
PREPARE  
ONE SHOT  
FROM THE  
PAIN  
GUARD!

IT SEEMS  
THE THINGS  
ARE GOING  
WIDE FOR US  
DOWN  
THERE...

HE IS...

HOORAY

THE MESSING  
FLAME?

THE FLAME  
THAT WOULD  
WIPE CLEAN  
THE WORLD...

THAT BOY IS  
ALMOST LIKE  
THE  
"APOCALYPSE"  
ON THE BOOK  
OF JOHN...

WHAT A  
SUBLIME  
DISPLAY OF  
POWER AND  
HEROISM...

THAT BOY  
USES HIS  
MIGHTY MAGIC  
ALONG WITH THAT  
GIANT SWORD  
OF HIS

I GUESS  
HE  
DIDN'T  
DESERVE  
TO BE  
CALLED  
HEROIC  
AFTER  
ALL...

BUT HE  
POSSSES  
SOME  
FRIGHTEN-  
ING  
POWER

WELL, I  
GUESS  
THAT'S  
WHY WE  
ARE HERE  
AFTER  
ALL

IMPRES-  
SIVE,  
"DEMON  
OF SPOR-  
ZANDO"

to the  
Mazo-  
kū

He is  
some-  
thing  
far  
closer

WHAT HAPPENED?!

It is an emergency, Your Highness!

Perhaps, you have to listen to this too...

LUTE!

Our remaining Magical Troops have retreated. Prince Lute stayed and formed a last defence line...

Y-Yes!

On the northern gate...

Ooh!!

Prince Lute wiped all the Mazoku here!!

This is the southern gate defence force reporting in!

PRINCE LUTE!!

Ooh!

The armies from Makas are starting to fall back!

He engaged the Mazoku here...

LONG LIVE  
PRINCE  
LUTE!

IMPRESSIONS,  
PRINCE  
LUTE!

I WILL  
BATTLE  
TODAY!

ALL RIGHT!  
IF THAT'S  
SO...

HORN-  
SAMA!

I'LL GO TO  
THE FRONT  
LINES TO  
FIGHT TOO!

WE  
MUSTN'T  
BE HAPPY  
...

NO,  
HORN?

YES, YOU  
ARE  
RIGHT!

LOOK,  
HORN...

...  
TO LOOK  
AT OUR  
GUARDIAN'S  
SACRIFICE!

*We must  
have hope*

....

*it will give  
us huge  
strength to  
fight!*

*He is showing us  
that even in face  
of uncountable  
Mazoku, we  
won't give up  
hope!*

NO MATTER  
WHAT, WE  
MUST  
RESIST TO  
OUR LAST!  
SO, GO  
AND  
BATTLE,  
HORN!

NO EVIL CAN  
STAND UP TO  
OUR HOPE AND  
COURAGE!

I CAN ONLY  
SEE IT ON A  
SITUATION  
LIKE THIS...

YES, I AM  
SO  
PROUD!

HOLD  
ON!

YES,  
HORN!

TO SEE  
SUCH  
COURAGE  
FROM OUR  
LITTLE  
PRINCE...

FOR, THEY WERE TOTALLY USELESS!

WHAT SHALL WE DO ABOUT THEM "HONOR-BATTAL"!

1. ASSASSINATION

AND YOU "BRAGGART"!

WELL, THEY'VE FINE, SINCE THEY HAD NO WAY TO DEFEAT THE NAGAKUNI

2. DEFEAT

BUT, YOU ARE NAZORULL...

FU FU FU, WELL FOUGHT, EVERYBODY

... YOU REALLY ARE BRAVE SOLDIERS!

GOOD JOB!

THE SENTENCE IS DEATH!

SO, MY VERDICT IS GUILTY...

ALL RIGHT

RAY...

LET'S BEGIN THE EXECUTION NOW

SHANNING

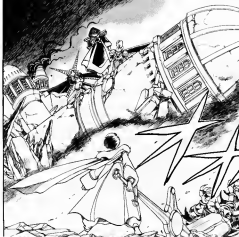

AFTER ALL,  
WE ARE THE  
ONES TO  
RECOVER THE  
HOLY BLOOD  
FROM THE  
"DEMON"

....

THIS  
JUDGE-  
MENT,  
IT WAS  
ALREADY  
DECIDED  
BY HIM...

What  
is that

Impossible!

He came

The leader  
of vast  
armies,  
Kasora's  
right-hand

This man, among  
all the

MOVEMENT# 105

The Story of Iute (part 3)  
The great war of Storzanda

*Buss-some,  
there is no  
need for you  
to dirty  
your hands  
with this*

*Just  
leave  
everything  
to me*

*What  
!P*

I can sense an evil aura from him

Who is that man?!

What should we do?

A general?!

Maybe he is a King from the Demon army

The greatest magic user among the Mages

He's quite powerful

He is the Priest, Pick

Prince

To think they would throw two of their best magicians at us...

They came to this battle with full power

With so much strength, even you might have trouble handling her.

Defeated Dross with one hit.

Be careful, Fick-sama.

After all, Prince Lute.

Sobuko Guts-san

Can be beaten by a mere human?

Do you think that I...

So, refer to me only as 'The Priest'.

Only the great Boss-sama has that right.

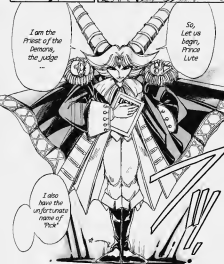

I won't warn you again.

It isn't proper for one of your stature.

Also, don't call me by my name.

*I am the  
Priest of the  
Demons,  
the judge*

*So,  
Let us  
begin,  
Prince  
Lute*

*I also  
have the  
unfortunate  
name of  
'Pick'*

*Let us  
review  
your  
case*

*The court is  
assembled  
and we can  
now begin the  
judgement*

*Your  
crimes  
are  
severe*

*He used the  
power to kill  
countless  
amounts of  
innocent  
humans*

*Yes... let  
me see,  
the accused  
possesses  
enormous  
magical  
power*

*The  
sentence  
is "Death"*

*His guilt is  
obvious*

These  
crimes are  
unforgivable

What do  
you think  
Kokubutsu?

Make it  
Death!

Send him  
to the  
gallows!

And  
you  
Bingo?

hah  
hah  
hah

So

It seems  
that you  
two have  
made a  
decision

What  
is it?

Aurora,  
I would  
like to  
hear  
your  
verdict

He serves the innocent and weak to exhaustion, he is a very benevolent person

That man loves the humans

He is a ferocious fighter,

earning the title "Guardian of Humanity"

He is a ferocious fighter,

For this cause, he would gladly give himself

he loves the peace and happiness it brings

If another person was in trouble, he would put himself at risk to help them

but he is very gentle

Each page possesses a human soul, sealed there by a wizard

hahaha this book is unique

He isn't guilty

He's a great and pure person

She  
was the  
Empress  
of the  
Kingdom of  
Lavender

By the way,  
this woman had  
her country  
destroyed  
by Muzoku  
...

UGH

I guess a  
human  
Juro is  
of no use

After all  
it was  
just a  
human  
Juro

Guhuh  
It seems  
my hands  
are dirty  
again

As she  
had a  
nice  
scream

*You are  
nothing  
more than  
food...no,  
you are  
insects*

*All humans  
are simply  
livestock  
for us Mazoku*

*Is it  
murder  
when an  
animal  
kills for  
self  
de fense?*

*You say  
you  
fight in  
self de fense*

*Who cares  
if we  
squish  
some  
bugs?*

*These  
things  
are a  
lie*

*Peace and  
happiness  
...*

*I have  
a page  
just for  
you*

*Look,  
Prince  
Lute*

That was a high level shield

So you were able to resist it

You are indeed a great magician

I am the highest of the magic users

There is no way to get past my defenses

But it's useless

But  
---

I am one  
of the  
greatest  
demons  
that  
exist

But  
---

Impossible

You  
---

Could  
---

Damage  
---

My  
body  
---

Human

Damn  
you

Unbelievable

This place  
...

and  
filled  
with  
joy

It was so  
peaceful  
...

But...

I  
love  
this  
place

I'll  
protect  
it...

and...

*and  
crushed  
everyone  
like  
insects*

—

*You  
just  
came*

—

*I'll  
never*

—

*I'll  
never  
forgive  
you*

—
